I'll be Right Behind You

To KAA, who started it all..

Right Behind You

I'll be right behind you
> Rachel will be rushing ahead
 Tobias will stand beside you
> Marco will be a few steps back
 But I'll be right behind you

If it really is an Andalite
> Trapped beneath the sea,
 I will help to guide you
> But even if it isn't
 I'll still be right behind you

If you're the only one
> Who ever wished to go,
 I am not going to stop you,
> It's your decision now,
 But I'll be right behind you

If you alone can know
> How to in this time survive,
 You're the only one to follow,
> But even if you weren't,
 I'd still be right behind you.

If you chose to spare her life
> Though I cannot see why,
 I'll defend your decision
> And even if it kills me
 I'll be right there behind you

If we're sick and cannot help you
> And the mission's suicide,
 Remember this, my much-loved girl,

> That if I even could,
 I'd be right there behind you

I am right behind you
> Rachel is rushing ahead
 Tobias stands beside you

> Marco is a few steps back
 But I am right behind you, Cassie.

End file.
